Schenker China Ltd. establishes new branch in Wuhan

(Shanghai, 2 June 2009) Schenker China Ltd. has obtained its business license to establish a new branch in Wuhan from the Hubei Province Administration for Industry and Commerce and commenced operation effective from 1 June 2009.

Wuhan is the capital of Hubei Province and has a population of about 8.58 million people. With 9.5% growth in its gross domestic product - compared to the national 6.1% year-on-year in the first quarter of 2009, the city's economy is developing rapidly. Heavy industry is a main pillar of the local economy with a strong focus on iron and steel. Other key sectors are high-tech, automotive, electronics, optical equipment and textiles.

Schenker China Ltd., Wuhan Branch will focus on transportation and logistics solutions especially related to the key industries and will continue developing the existing customer base as well as the markets in respective region.

Please note our Wuhan Branch details as below:

Schenker China Ltd., Wuhan Branch
